SUNDAY PICK-UPS

Sunday pick-ups are not available on holidays. We offer Sunday pick-ups as a special service for our regular clients and patients when possible and when the following conditions are met:

1. Arrangements are made ahead of time or at time of drop off.
2. The stay is prepaid.
3. The patient does not require veterinary services during the stay other than routine vaccinations.

You may pick-up your pet between 4:00-4:15 pm on most Sunday afternoons. Sunday Pick-up fee is \$9.

Please **take your collars, leashes and carriers** with you when you drop off your pet. **We do not accept blankets or cloth items other than toys.** We purchase textile which is manufactured and marketed for the purpose of providing safe and comfortable bedding for dogs and cats.

Most dogs staying with us at least two nights tend to receive a complimentary HydroSurge and massaging bath before going home. Most cats do not get baths. Please coordinate your pick-up time with us so that we can work to have your pet dry and ready.

Routine Rates are calculated per animal per night with a one night minimum. Additional fees may be added for patients that require additional attention and/or higher levels of care.

Our boarding is for healthy animals requiring routine care. Animals that are critical or likely to become critical during the stay do not qualify for boarding but rather hospitalization.
